WHY?
Here’s 3 reasons why!

Community Credit Union has been using Uncle Andy’s Digest for advertising since their very first issue, back in 1996. We have found it to be a valuable and irreplaceable part of our marketing plan.

Just from observation in our lobbies – we get Uncle Andy’s Digest delivered to us and within 5-10 days our supply (100 magazines) is depleted. This tells us that people LOVE reading the Digest.

On a personal note, when we go out to eat with our families our husbands and children always grab a copy and look through it while we’re waiting for our food. My young daughter even likes to look through it... it’s no joke that we went a local breakfast spot one morning and she refused to leave the restaurant without taking her copy of the Digest with her.

When I was first approached by Uncle Andy’s Digest I was unsure about advertising in a publication that wasn’t a Real Estate publication or a conventional newspaper. I decided to try it and I can honestly say it was one of the best decisions I have ever made!

Every time my ad runs the phone starts ringing. Customers tell me that they picked up a Digest, read my ad and said, ‘I should call her.’ This is the result I am looking for when I advertise.

The cost of advertising in Uncle Andy’s Digest is affordable and their service is excellent. Thank you and keep up the good work!

Smile Again Dentures has used several forms of advertising over the years. Using Uncle Andy’s Digest has proven to give us the best bang for our buck. It did so early and often and still does to this day. We like the fact that people pick up the Digest and hang on to it. A lot of people that might see or hear a commercial on TV or the radio and it’s forgotten almost immediately. The Digest hangs around all month and we know our ad is seen over and over throughout the month. People from all walks of life come in regularly and mention seeing our ad in the Digest. We hear all the time how our clients like seeing the father and son team.

Working the Uncle Andy’s staff is easy and we really enjoy the extra stuff they do to promote our business! We believe any business spending money on advertising should be spending it with Uncle Andy’s Digest.
